## He is gone

You can shed tears that he is gone  
or you can smile because he has lived.  
You can close your eyes and pray that  
he'll come back,  
or you can open your eyes and see  
all he has left.

Your heart can be empty  
because you can't see him,  
or you can be full of the love  
that you shared.

You can turn your back on tomorrow  
and live yesterday,  
or you can be happy for tomorrow  
because of yesterday.

You can remember him and  
only that he is gone,  
or you can cherish his memory  
and let it live on.

You can cry and close your mind,  
be empty and turn your back,  
or you can do what he would want;

smile  
open your eyes  
love  
and go on...
