Farewell Song

Pub with no Beer – Slim Dusty

My Love for my Grandpa will always be alive.
Although he is gone, his legacy will survive.

In the things he taught me and love he would show,
I am forever grateful, and it's to him I owe.

From the rain, to the dust, to the stars, and the sand,
You will be with me daily, holding my hand.

Your smile will always be etched in my mind.
Another Grandpa like you would be impossible to find.

I know your trip of life was fulfilling and long,
For that makes this easier and helps keep me strong.

Your life was a blessing to everyone you knew,
But I know you're up there now, making your big debut.

Shouting for your Mates, a long awaited round. But for me,
hearing your voice again would be the best sound.

You know that I love you and you left too soon,
But to me, you'll always be the guy who hangs the moon.

Love you Pat! xxxx

Tiffany
