# *Our Grandad*

*Written by Tayla Gee on behalf of Jordan, Brodie, Tayla & Jacinta*

We have seen you at your worst but also at your best,  
we loved you both ways.

We will always remember you for your caring heart  
& that cheeky laugh & smile.

We will certainly miss you as a person  
but miss having someone like you to cheer us on  
from the sideline at our footy games.

We hope to keep making you proud  
& we will do good things with the  
"Gee " name.

You are now finally at rest with your dear wife Jean & son Bill.

Until we meet again grandad.

*Bill's family thank you for your presence here today.*

*Your expressions of sympathy, support and friendship  
is greatly appreciated.*

*Please join us for light refreshments at the  
Griffith Southside Leagues Club  
following the service.*
